

((How can I change my name on an Klm ticket?))

You can likely still fly with a minor spelling error on your name, but it's best to correct it before your trip to avoid issues at the airport, especially with international travel.

+188../869../.615../.28(US)For major discrepancies, you will almost certainly need to contact the airline to get the ticket corrected, +188../869../.615../.28(US)which may involve a fee or rebooking. +188../869../.615../.28(US)In general, Klm does not allow a name to be changed on an existing PNR. +188../869../.615../.28(US)The PNR would need to be canceled and a new reservation made using the current availability. +188../869../.615../.28(US)In instances where a name change is authorized, it should be done through Klm 's Global Service Center or Reservation Center.+188../869../.615../.28(US)Klm Airlines does not allow name+188../869../.615../.28(US)changes from one person to another, but it permits minor and major name corrections with specific conditions. +188../869../.615../.28(US)Minor corrections, like typos, can be made in the same booking, while major changes +188../869../.615../.28(US)(e.g., due to marriage) require documentation and potentially a new ticket. +188../869../.615../.28(US)You can also call customer support or submit documentation if you changed your name legally. Minor name corrections • What they are: Typos, +188../869../.615../.28(US)spelling errors, incorrect initials, or changing the order of a name.To change the name on a KLM ticket, you must contact at +188../869../.615../.28(US)KLM customer service directly to request a correction for spelling mistakes or minor name adjustments.+188../869../.615../.28(US) KLM does not allow tickets to be transferred to a completely different person. For full legal name changes—such as after marriage or a legal name update—you may be required to provide official documentation. If your ticket was booked using Flying Blue miles, you must reach out to Flying Blue customer service for assistance.+188../869../.615../.28(US) If the reservation was made through a travel agent or third-party website, then all name-change requests must be handled through that agency+188../869../.615../.28(US)

- • Ticket requirements: The ticket must be wholly unused and on an Klm Airlines or Klm Eagle itinerary. +188../869../.615../.28(US)The "Klm name change policy"+188../869../.615../.28(US)can refer to two different things:

- +188../869../.615../.28(US)legally changing your name, which requires a court order, or changing a name on an airline ticket, which is a separate and much more restricted process. +188../869../.615../.28(US)For Klm Airlines, you can correct minor typos and update names to match government ID (e.g., due to marriage) but cannot transfer a ticket to a new person. +188../869../.615../.28(US)Legally changing your name

- File a court petition: +188../869../.615../.28(US)You must file a petition with your local civil court, and a judge must approve it.

- Receive a court order: +188../869../.615../.28(US)The judge will issue a court order that serves as your new legal name document.

- Notify agencies: +188../869../.615../.28(US)You will need to use this order to update your name with government agencies like the Social Security Administration, state DMV, and the U.S. passport office. Changing a name on an airline ticket (Klm Airlines)

- Name correction vs. name change: Klm Airlines distinguishes between "minor name corrections" (like typos) and "major name corrections" (like a legal name change).
- Minor corrections: Minor corrections, such as a typo, can be made without a fee and are usually handled online or by customer service. The name must match your government-issued ID. +188../869../.615../.28(US)
- Major corrections: +188../869../.615../.28(US)For a legal name change, you will need to provide documentation like a marriage certificate. This may be considered a major correction and may have fees, though it depends on the specific circumstances.
- Name transfers: You cannot transfer a ticket to another person, as they are non-transferable and non-refundable. +188../869../.615../.28(US)The only person who can use the ticket is the passenger whose name is on it.
- Third-party bookings: If you booked through a third party, you may need to contact them to make changes.
- Time limits: +188../869../.615../.28(US)Name changes are not allowed within 24 hours of departure.

Q1: Can I change the name on my ticket to someone else entirely? A: No.
+188../869../.615../.28(US)Klm Airlines does not allow tickets to be transferred from one traveller to another. To travel under a different name, you would need to cancel the original booking (if permitted)+188../869../.615../.28(US)and make a new booking under the correct name.

Q2: I made a typo when booking—can I fix it?

+188../869../.615../.28(US)A: Yes. If the booking is wholly operated by Klm/Klm Eagle on a (001) ticket, you may be eligible for a minor name correction.+188../869../.615../.28(US)This allows small changes (e.g., spelling correction, first vs last name order), provided other secure-flight data (DOB, gender) remain unchanged. +188../869../.615../.28(US)Q3: What counts as a major correction? A: A major correction applies when your itinerary includes codeshare flights (AA* or oneworld®) or other carriers, or if you're in special inventory+188../869../.615../.28(US)("R" inventory). In such cases a new PNR/order may be required and you must adhere to the more complex guidelines.

+188../869../.615../.28(US)Q4: Is there a fee for correcting a name? A: According to the guidelines for "minor name corrections," when the conditions are met (wholly Klm/Klm Eagle flights, same PNR, (+188../869../.615../.28(US)) ticket) there is no additional name change fee.

However, fare rules and ticket validity still apply.

Q5: +188../869../.615../.28(US)Can I make the correction the same day as the flight or hours before departure? A: No. Name corrections should not be made within 24 hours of departure because once the booking is under airport/airline control changes may be impossible.

+188../869../.615../.28(US)Q6: +188../869../.615../.28(US)If I changed my legal name (marriage/divorce), what should I do? A: You'll need documentation (marriage certificate, +188../869../.615../.28(US)court order, updated passport/ID) showing your legal name change. Contact Klm Airlines or your travel agent as soon as possible to update the booking. Make sure your government-issued ID matches the name on the ticket at time of travel.+188../869../.615../.28(US)Q7: What if I booked through a travel

agent?+188../869../.615../.28(US)A: If your booking was made via an agent, corrections often need to be handled by the agency. In some cases, the issuing agent is responsible for re-issuing the ticket when a major correction is required. +188../869../.615../.28(US)

Q8: If I cancel the original ticket and rebook under a new name, is the fare the same? A: Not necessarily. Cancel-and-rebook may incur fare differences, availability changes and possible fees depending on fare rules. Always check the fare conditions before proceeding.
